

# WILTS MEDAL CLUB

The Wilts Medal Club was formed in November 2003 by a number of local British Medal collectors. Currently there are around fifteen members who all live in the West Wiltshire / Bath area. Many of the members also belong to the Orders and Medals Research Society and The British Medal Forum.

The members meet every month, on the second Wednesday evening (7.45pm).

The programme of meetings includes talks by members and guest speakers, members own 'show and tell' evenings and mini exhibition displays. The Club also holds an annual Christmas Meal with a Medal Quiz.

The current venue for meetings is The Bustard Club, Bythesea Road Trowbridge, situated in Trowbridge town centre.

New members are always welcome. For further information please contact the Secretary via the e-mail address given on the Website Home Page.
